#### **Information Disclosure**

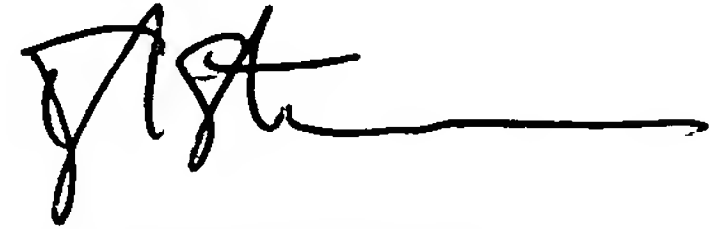

Applicants filed an Information Disclosure Statement on January 10, 2006 which does appear to be in the PAIR system for this application. Said IDS has not been considered by the Examiner. This is probably due to the fact that this application was mistakenly assigned a different serial No. upon filing and the IDS was originally misplaced by the PTO.

Applicants re-submit the IDS and kindly request that the Examiner indicate that each reference is considered by returning an initialed copy of form PTO 1449.

It is believed that no fee is required to enter this IDS. If any fee is required the Commissioner is hereby authorized to charge any necessary fee or credit any overpayment to Deposit Account No. 03-1935.
